About Me:

I'm an Industrial Design Engineer. I'm a responsible, hardworking, fast learner and proactive communicator. I like working in multidisciplinary teams where I can learn from other team mates. I really enjoy putting into practice what I have learned about service and UI-UX design. Finally, I consider that continuous learning is one of the keys for a successful professional career.

Work Experience:

- Guakala que Rico, MACSports, You Perfume.
 - Collaboration in the creation of social media posts for the above brands. 2019- Present
- TEC EmprendeLab
 - Making videos for small business ventures with Escazú Municipality 2021.
- Próxima Comunicación -Ecoins
 - 6 months internship, working on a UX/UI project for Ecoins.
- Freelancer
 - Working on graphic design doing wedding kits including: invitations, decorations and signs, brand Kit that includes corporate stickers and brand visual identities.
- Pancake Live
 - Junior UI-UX Designer (2022)
- Accenture
 - Interaction Design Analyst (2022-present)

Training Workshop:

- Certificate of Participation in the Segundo Encuentro de Ingeniería en Diseño Industrial, Topics: Diseño Conectado (IOT) and Design Thinking. San José, 2019, Colegio Federado de Ingenieros y Arquitectos de Costa Rica
- Rediseñando un mundo inclusivo- Accessibility Training (2022)
